What is the role of feminism at Cornell? We invite everyone in the Cornell community to join us for dinner and a thought-provoking conversation in an informal setting.

Did you see Bitcoin on the news last year? A surge in popularity of cryptocurrencies like Bitcoin and Ethereum has prompted interest in what these coins actually are and the blockchain technology that underpins their existence. If you’re interested in learning more about this emerging technology and the excitement and hesitation that cryptocurrencies are generating, join GRF Tyler (tdm76) for a discussion on what a blockchain is, what it can be used for, and possible future applications of it for Bitcoin and beyond.

Join GRF Shiv (sbs276) to kick off Super Bowl weekend by watching Friday Night Lights, an iconic football movie that follows the 1988 Permian High School football team on their run to a state championship and the political and social issues they faced in the football crazed town of Odessa, Texas.

Super Bowl Sunday, an unofficial American national holiday, is finally here! Join GRF Shiv (sbs276) outside the dining hall to learn about the scope of the event, the teams involved, and the marketing frenzy. Afterwards, join him in the dining hall to watch Super Bowl LII! **Meal swiped required.

If you must cancel your reserved spot, contact the GRF or SA hosting the event so that people on the waitlist may be contacted immediately.
